

Seawind 1000xl

Privately owned since its launch in 2007. This boat has been meticulously maintained by the one owner with annual anti-fouling of hull and servicing of Yamaha 9.9hps motors. An integrated cockpit/saloon design creates ample space for living and entertaining. The saloon table converts into a large king size bed. The saloon lounge is upholstered in marine leather. Sail inventory consists of an MPS, Code Zero for light wind conditions, self tacking jib, fully battened Main Sail. Instrumentation is by Raymarine which include:- ST6002 Auto Pilot (brand new June 2010) C70 GPS Wind log & depth sounder mounted on port and starboard binnacles AIS Raymarine 500 Electronic chain counter Safety equipment The boat is set up ready for cruising following a trip to the Whitsundays 2010. The boat proved to be extremely reliable and comfortable and easily sailed by two people It is reasonably priced with many extras and is in excellent condition. **PRICE \$335,000**
(Owner moving up to a Fusion)
